

La Salle College
Annual Strategic Plan (2025-26)

Subject Panel / Functional Team: __ Chinese for NCS __

A. Strategy Plan

Major Concern 1: To empower students as active, self-directed learners

Brief List the feedback and follow-up actions from the previous school year:

- Students can fulfill the tasks on the e-learning platform and Worksheets for the new Chinese culture and literature lesson.
- More e-learning materials can be introduced to the students in order to motivate them to have self-directed learning.
- The tutorial lessons can help students to enhance their writing and speaking skills. The lessons can be more focused on brainstorming ideas and ways of expressing (Scaffolding).
- Students think that the online resources are useful as they can do revision at home. More e-learning apps can still be used during the lessons in order to make lessons more interactive.
